Dear Sir:

RESPONSE TO NOTICE TO PAY ISSUE FEE

In response to the Notice to Pay Issue Fee in the above-referenced case, Applicant reviewed the file included therewith and realized that several of the claims that were indicated as canceled in the July 8, 2004 Response to Office Action included text that was never included in this case and that was erroneously added to this case. Nevertheless, Applicant believes that because those claims were canceled, the mistake does not affect this application and, in any event, did not affect the claims that were allowed by the Examiner. For example, the text of claims 1 which was canceled in a previous Office Action response and was never included in the present case was indicated as canceled in the July 8, 2004 filing. Because this claim was canceled Applicant believes it is irrelevant what the text in claim 1 was.
